

EXTERNAL PAVING

terra220
australian marble

When it comes to external paving areas, Terrazzo pavers by Terrazzo Australian Marble are the ideal solution. With a honed finish as standard, no other paver is as easy to clean and maintain. Hydraulically pressed, no other paver is as strong or durable making them ideal material when extra strength is required.

Pavers are available in various sizes and for certain projects special samples can be made to achieve the exact colour scheme required. Each individual paver has a 3mm chamfer for that prestigious look. Precast units for coping, stairs and skirtings are also available. Supply only or supply and fix. Call one of our experienced team for expert advise for choosing the right paver to compliment your needs.
